

The primary strength of Arrowhead United Way is people. Our mission is to improve lives by mobilizing the caring power of communities.

We are accountable to YOU!

We are proud to have been partners with our community for more than 112 years. We look forward to helping solve problems, filling service gaps and linking people in need with agencies that can help them.

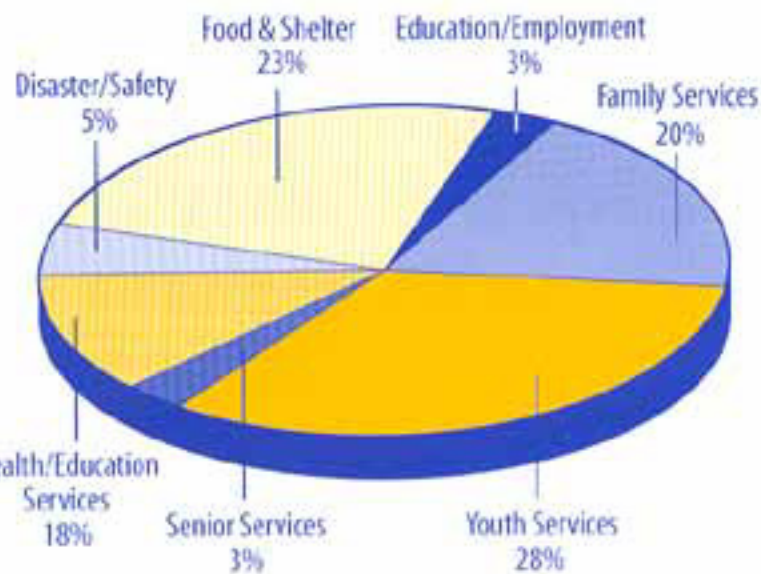

Arrowhead United Way ensures prudent use of contributions through a volunteer review process. Experienced volunteers knowledgeable of local needs monitor agencies to make sure your money is well spent.

Volunteers Make It Happen

Volunteers from throughout the Inland Empire oversee all major functions of Arrowhead United Way including finance, fund distribution, campaign, agency relations, volunteer development and personnel.

We extend our thanks to the many volunteers who help make a world of difference to those in need.
