

THE FACTS ABOUT BURGLARY

More than six million residential burglaries occur every year in this country. That is one in every ten seconds!

Nearly half of these burglaries are committed without force—that is through unlocked doors and windows.

Security Tips for Your Home

- Always lock all doors, (deadbolts) and windows.
- Shut the garage door.
- Install an alarm system.
- Report suspicious activity.
- Implement a Neighborhood Watch Program.
- Install motion sensor lights and timers inside your home.
- Keep your trees, lawn and shrubbery well maintained.

THE FACTS ABOUT VEHICLE BURGLARY

A vehicle is stolen every twenty seconds in the United States.

A significant number of auto thefts are committed in the early morning hours when the owners are asleep. Door or windows are not locked, and valuable property is in plain view.

Security Tips for Your Vehicle

- Always lock your vehicle.
- Don't leave valuables in the car or at least keep valuables out of sight.
- Never leave your keys in your vehicle.
- Install an audible alarm system.
- Park your vehicle in a well-lighted area at night.
- When possible, park in a secure garage.
- Use anti-theft devices when possible
