

How to prevent theft of other motor vehicles

Thefts of snowmobiles, motorcycles, boats and trail-bikes are also increasing. Many of the same precautions that apply to cars also apply to recreational vehicles.

Lock It

- Make sure all easy-to-carry items like motors, water skis and camping gear are locked up before leaving your vehicle.

Chain It

- Vehicles carried on trailers should be secured with a strong chain and padlock.
- When the trailer is not attached to your car, secure it with a heavy chain and lock to a stationary object.
- Chain your motorcycle or snowmobile to a stationary object such as a lamp-post or sewer grating. Even when your vehicle is in the garage, use a heavy chain and padlock that resists conventional steel hacksaw blades.
